ABPS Perth 2012

19th – 20th October 2012

The Dewars Centre

Jury Report

Perth 2012 will be long remembered as a major exhibition in the United Kingdom both in regard to the quality of the exhibits displayed and the number of new exhibits shown for the first time. It is remarkable that in the last two months, more than 600 frames of competitive exhibits have been shown in this country.

The Jury would like to extend its thanks to the Organising Committees and to the staff of the Dewars Centre who have made us both welcome and well supported. We would also like to record our appreciation to Jeffrey Stone FRPSL as a very hard working and effective competition secretary especially in his efforts for including important exhibits from Scandinavia.
